The Declaration

I, (Insert your full, legal name and place of residence), a born again Christian and devout believer in Jesus Christ my Lord and Savior and in the Word of God that promises the Lord’s coming Rapture of His collective body of believers, the church, at which point both the dead in Christ and the living followers of the Lord shall be caught up in the clouds with Christ and taken to heaven for eternity (1 Thessalonians 4:17), do hereby introduce this Rapture Will for legal filing and implementation in the event of the spiritual Rapture occurring before my mortal death. Should the Rapture occur following my mortal demise, this Rapture Will is to be revoked and superseded by my Last Will and Testament, complete with its statements of my wills and codicils.

I am confident my husband and I are born again Christians and we, along with certain other loved ones named herein, will be caught up while living in the Rapture together and will have no reason for any earthly possessions ever again; however, if for some reason unknown to any of us, I, or of my loved ones believed to be saved souls should be left behind at the time of the Rapture, this Rapture Will is null and void, and the provisions of my Last Will and Testament with its named beneficiaries will supersede this Rapture Will.

My assigned estate attorney _____(Insert attorneys name) at _____ Law Firm, located at _____ (address) _____, (city) _____ (state and zip), is to wait 30 days after the sudden departure of myself and my spouse and my named family members who are excluded as beneficiaries of this will before beginning the distribution of my estate under the provisions of this Rapture Will to validate via witnesses, or by other credible means, that I/we are among the Raptured hosts and not a victim of foul play or natural death.

In the event that any of my beneficiaries named in this Rapture Will should accept Christ as their savior prior to this prophesized event and be among the living raptured with us, the remaining beneficiaries will equally divide my estate. Should each of my named beneficiaries be raptured, my alternate named beneficiaries shall inherit my entire estate. Should my alternate named beneficiaries accept Christ prior to the Rapture and they, too, are raptured, then my executor(s) will sell my estate and establish a trust fund to benefit: 1) shelters and care centers for special needs individuals who become displaced following the Rapture; and 2) animal shelters in my community to care for the many pets left behind when their human families vanish. (Examples only)

ARTICLE III DISPOSITION OF PROPERTY

After extensive prayer, careful deliberation and consideration I have decided to painfully declare the following loved ones to be the beneficiaries of my estate in the event of my living departure during the event known as the Rapture of Christ' church. This is a painful and moving decision, because I believe these precious souls to be unsaved souls. I base that belief on their lack of profession of faith, their lack of a Christian's walk and a spoken and demonstrated relationship with the Lord, our Savior, the absence of the fruits of the spirit that exist in born again Christians and upon my observations of their worldly pursuits and lifestyles. Although one among these three family members professes salvation through Christ, her current life choices defy that commitment and show her to be out of communion with God. While I realize that only she and God know the true destiny of her soul, I am compelled to include her among my beneficiaries at the writing of this Rapture Will to ensure that she, too, will have a way to help meet her needs during the difficult and treacherous times that will come for those left behind.

While I and other saved family members have on numerous occasions shared the gospel with our loved ones living without soul insurance through Christ, I am compelled to include my beloved nephews (insert full legal names and locations), and my only niece, (insert full legal name and location of this individual) as my Rapture Will beneficiaries.

It is my fervent prayer that each of my nephews and my niece will come to know Christ and accept this precious gift of salvation from God before it is too late. Should that glorious moment occur for each of them, the provisions of this Rapture Will transfer to my alternate beneficiaries, (insert name of names and address).

- A. Specific Bequests. I direct that the following specific bequests be made from my estate and distributed to my named beneficiaries solely and in some instances as shared inheritances to be divided in accordance with their majority agreement stipulations.
